RESPONSE TO NOTICE TO FILE MISSING PARTS

Sir:

Following your telephone conversation with Noemi Chapa at Philips Electronics regarding the NOTICE TO FILE MISSING PARTS mailed on March 6, 2001, as per your request, enclosed is a copy of page 1 of the Declaration and the original page 2. Please note that as we discussed, page 2 contains the inventors original signatures and in fact is the document that was inadvertently stapled to the Notice of Recordation of Assignment Document and returned to Philips. Accordingly, the missing declaration was the result of an error that occurred at the U.S. Patent and Trademark Office.

It is therefore believed that no fee is due for making these corrections.

Respectfully submitted,

By
